Credential Description: NCCER offers a complete series of entry- and journey –level assessments to evaluate the knowledge and skill level of an individual in a specific craft area. Carpenters make up the largest building trades occupation in the industry and those with all-around skills are in high demand. Carpenters are involved in many different kinds of construction activities, from building highways and bridges to installing kitchen cabinets. Carpenters construct, erect, install, and repair structures and fixtures made from wood and other materials. NCCER offers a four-level curriculum which covers content such as Building Materials, Cabinet Fabrication, and Advanced Wall Systems. Within each of the Carpentry Levels there are a number of modules to be completed. After each module examinees must successfully complete the module exam with a score of 70% or higher.

Credential Requirements: The Carpentry – Level 1 certification covers the following NCCER modules totaling in 225 hours (72.5 hours of Core Curriculum: Introductory to Craft Skills which is a prerequisite for Level 1) of training Core Curriculum: Introductory Craft Skills Orientation to the trade (Module ID 27101-06) Building materials, fasteners and adhesives (Module ID 27102-06) Hand and power tools (Module ID 27103-06) Reading plans and elevations (Module ID 27104-06) Floor Systems (Module ID 27105-06) Wall and ceiling framing (Module ID 27106-06) Roof framing (Module ID 27107-06) Introduction to concrete and reinforcing materials (Module ID 27108-06) Windows and exterior doors (Module ID 27109-06) Basic stair layout (Module ID 27110-06) NCCER maintains a credentialing and certification system through its National Registry. NCCER testing is conducted at authorized testing centers nationwide. Contact NCCER to find a testing center near you.

Meets the 150 hour Requirement: Yes

Instructor Qualifications: All Instructors must have NCCER's Instructor Certification Training Program (ICTP)

Testing Prerequisites: Examinees must complete and pass the Core Curriculum: Introductory to Craft Skills exam before starting the Carpentry Level 1 course.

Age Requirements: None

Experience Requirements: None

Basic Skills Exempt: N/A

Exam Fees: NCCER does not charge a fee for test administration or entering results on their national registry. However, the testing agency may impose an administrative fee which may be related to the cost of materials necessary in completing the test.

Last revision date: 3/21/2010
